FINAL STATEMENT

P 64

OF

*Sergeant Frank McInty*  
*Comp. K*  
*12<sup>th</sup> Reg't of Infantry Missouri*

VOLUNTEERS.

*Rec'd Dec 1863*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities and money the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Laundry must be entered on the muster roll on which the discharge, death certificate, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

General:

Private Helen's certificate for discharge has been forwarded to Head Quarters of Department, he goes on furlough to awaiting action in the same.

I only know of one man of my Company now on leave, of the name of Ernst Miller, and he has been sent for, and may be on the way hither. I received notice that the Post Surgeon at this place sent another man of the name of Voss to S. Louis Hospital; besides these two cases, I know of no other men of my Company being absent on sick leave, —

Private Helen is unfit for any duty whatsoever and on the medical certificate I gave him the furlough presented and subject to your approval.

Yours Respectfully

I have the honor  
to report that in obedience to S.O. No 36, March  
22<sup>nd</sup> 1865, Head Quarters M D M Savannah, Ga. I proceeded  
to report to the Commanding Officer 12 Mo Vol Infy  
for duty. The order stating on its face that  
the Regiment was serving in the Department of  
the Tennessee, I reported to Capt Sargent for  
information as to its locality at Newbern N.C. who  
referred me to Capt Wheeler Aug 13<sup>th</sup> A.C. who stated  
that the Co & Regt had been mustered out, (and) did  
not exist as an organization in that Corps. Captain  
Sargent A.C. then ordered me to report to the  
Adjutant General State of Mo St Louis in obedience  
to which I came on to this city. <sup>the</sup> adjt general  
the adjt here having gone to Springfield Mo to  
attend the general conference of an late constituted  
President, reported to Col Alexander (of) Westermoreland  
Adj Gen Mo who temporarily assigned me to

duty under Capt. J. Hamilton I W. Army Mustg. & Sick Officer until further orders, when I am at present. Having no Company or Regimental Commander and the Corps (15<sup>th</sup>) being about to be mustered out, I was then left in a very awkward position. Whether I have any Descriptive Roll & consequently cannot draw any pay or clothing, until I can obtain it. The original Descriptive Roll was on file in your Office, on which I was last paid. And if it could be forwarded, to Capt. Hamilton I W. Army Mustg. & Sick Officer possibly some final action could be taken in my case. I have received neither clothing nor pay since being relieved from duty in the A.S.A. And I am of the trip until assigned temporarily to duty here, when I drew rations.

If my Descriptive Roll has been forwarded from your Department, possibly some trace of it can eventually be found.

# FINAL STATEMENT

OF

*John Hoffmann Corp. Co. F.*

*12<sup>th</sup> Reg't of Mo. Inf.*

## VOLUNTEERS.

*First Co. 12<sup>th</sup> Reg't*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Ad Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as *l. i. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized, to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

Par. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

## FINAL STATEMENT

OF

*Private Jacob Thompson*

*12<sup>th</sup> Reg't of Mo. Inf.*

### VOLUNTEERS.

*and May 9<sup>th</sup> 1865*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Suttler and Landdress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

Colonel.

I herewith tender my resignation as  
Surgeon of the 12<sup>th</sup> Mo. Inf.

The hardships of the service, the fatigues  
and exposures of the campaign have prostrated  
my constitution to such a degree that I am unfit  
for the fulfillment of the duties of a Surgeon in  
the manner I desire.

I am not indebted to the government and have been  
paid the last time up to the 15<sup>th</sup> day of February  
by Major Stanton.

All the Medicines, Hospital supplies and books  
belonging to U.S. Surgeon J. Spiegelhalter, I am  
not in possession of any species of government  
property.

I never have been absent without leave from  
the regiment; from the 2<sup>d</sup> day of May to the  
24<sup>th</sup> May I was detained at Milliken's Bend to  
follow the regiment on account of ill health.

To Colonel Wangerin Very respectfully  
Commanding 12<sup>th</sup> Mo. Inf. Yours most obedient servant

Reports himself according  
to Gen. O. No 36. S.W. as Prisoner  
of war & asks to be exchanged.

Recd. N. 2<sup>o</sup>. A. S. W.

Aug. 16/62

Helena, Ark. August 16. 1862.

Major,

In compliance with G. O. No 36,  
Head Quarters A. S. W. Helena, Ark. August 15. 1862. I have  
the honor to report that I was taken prisoner, August 11.  
1861. while lying wounded in the Hospital at Springfield Mo.  
being then 2<sup>d</sup> Lieutenant of 2<sup>d</sup> Regt Mo. Vol. Major  
Scherhaus's Battalion.

I was released on parole on August 19. 1861 and  
returned to Saint Louis. Subsequently I was informed by  
Genl Sigel, that I was at liberty to take service again  
as all the prisoners had been released or exchanged,  
by arrangement with General Price.

Having since learned, that the Confederates  
do not consider us exchanged, but still hold us to be  
under parole, I would therefore ask, that my name be  
placed on the Rolls for exchange.

Respectfully

your obedient servant  
Geo Kayser. 1<sup>st</sup> Lieut
